

Branch Manager™ Attachments

53" BMGXR T1035

Carry your brush and logs out long instead of wide, get bigger pieces through tighter accesses. Turn the grapple not your machine, less wear and tear on lawns & your machine.

Large 53" Opening
Sturdy 415 lbs
3" Rope Bollard
Aggressive Tree Pusher
Receiver Hitch

We put our HD grapple head on our Mini-Hangers! We call it the BMGX! Designed for the new high powered Mini-Loaders. If your machine is rated for over 2000 lbs then this is the grapple for you.

**Grab it, Spin it,
Move it!**

**Receiver Hitch to
move your chipper**

**3" Rope Bollard for
lifting or directing**

***4-hose models also available
for machines with 2 auxiliary
hydraulic circuits.**
